VISUAL APPEARANCE

The product may reveal various wrinkles due to the combination of Elasticity of the covering, characteristics of the interior construction and the design of the product.

Low

Medium

High

Products with Visual Appearance listed as High or Medium would require higher degree of care, where seats and back cushions may require fluffing and plumping more often than Products with Visual Appearance listed as Low.

NOTES

- Available in leather (TG only) or fabric.
- Ergocert Certified. Human-Centered Design certification by Ergocert, is the first European ergonomics certification body. This certification guarantees that the entire design and production process has been completed by listening to the needs of the end user to create and offer an effective and unique comfort experience.
- Available in two different sizes: King size (version F44) and Queen size (F45). Compared to the queen version, the king version is taller and wider.
- A battery pack can be ordered with its own version code 830. For order entry please use XX for category and XXX for cover code. In order to optimize the duration of the battery, it is suggested to order one per each motion seat.
- Wood/Metal Frame
- Packaging: Cardboard wrap.
- Metal base in one finishing (anthracite)

NOTES
