Project Identity

Natuzzi Editions

The Project Identity purpose
is to offer a unique working method
that guarantees chromatic and stylistic
conformity and preserves the Brand's DNA.

This tool represents a guide
that goes beyond the offer of a product,
aiming at the creation of a real project
from the stores to the customers' homes.

Capri

Capri is more than a sofa bed — it is an invitation to come together and rediscover the pleasure of shared moments. Day and night. Inspired by a place that embodies Italian style, Capri recalls timeless beauty, iconic landscapes, and authentic joy. It combines essential design, versatile comfort, and remarkable functionality. Its welcoming seats — enhanced by adjustable headrests — transform in an instant into a true bed with wide wooden slats, ensuring absolute comfort. The version with storage chaise longue offers extra space to keep pillows, linens, and more, always at hand. Available in leather or fabric, with sleek metal legs in polished chrome or matte black, Capri expresses the essence of Italian living with effortless elegance.

Design by Natuzzi Design Center

In the Natuzzi Headquarter in Puglia, the Design Center preserves the balance between design and functionality, values rooted in the brand's DNA.

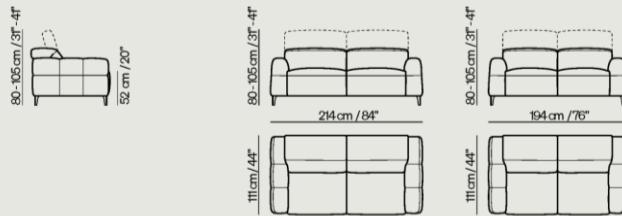

NATUZZI EDITIONS *dreams*

The Dreams Collection is dedicated to those who recognize the value of design as a true expression of self - even in moments of rest. It redefines the concept of bed and sofa bed with projects conceived for those seeking uncompromising design, comfort, and versatility.

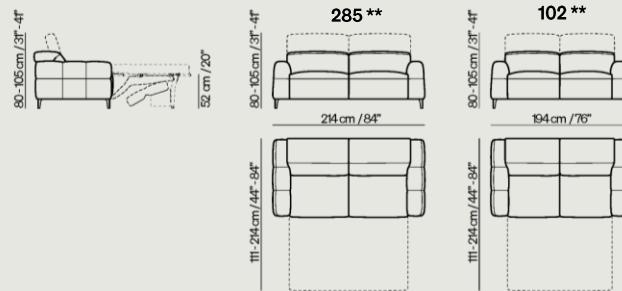

Choose your Capri

The Capri project is extremely versatile thanks to its 16 components, available with optional electro-welded metal base or wooden-slat base on sofabed versions. Each combination allows us to create unlimited configurations. Here are some examples.

009

114+379*

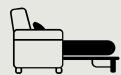

022+379*

*Examples with sofa bed are shown with electro-welded metal base and chaise-longue with storage

Thanks to the Configurator, it's possible to customize this versatility according to the customer's needs.

Features & Benefits

Sofa-bed

«5 seconds» easy opening system

Available in Leather and Fabric

Manually adjustable headrest

Available with metal electro-welded or wooden slat base

Available with storage chaise longue

Customizable foot finishings

Wooden slat base (optional)

The possibility of selecting a bed base featuring wide wooden slats enables you to customize your comfort also with the bed mode.

Hidden Storage

The practical compartment offers plenty of storage space for pillows, sheets and much more.

«5 seconds» opening mechanism

The sofabed is equipped with an innovative mechanism that enables it to unfold effortlessly in just "5 seconds," ensuring it is ready for use whenever necessary.

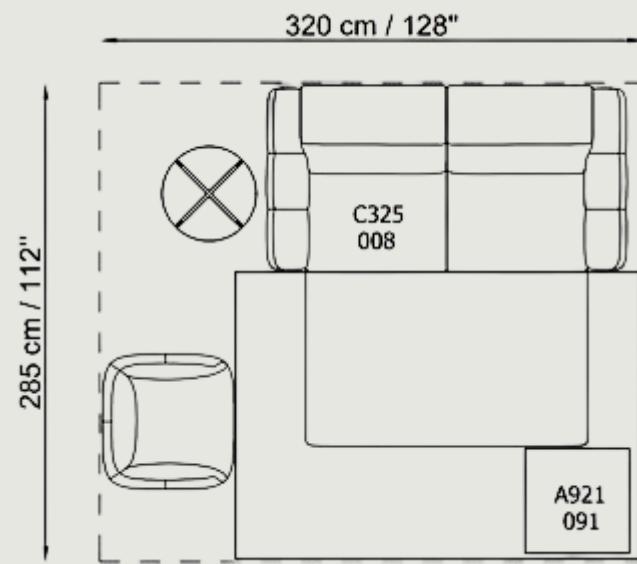

Armrest detail

The tufting along the arm side enhances handmade craftsmanship, elevating the sofa's aesthetic.

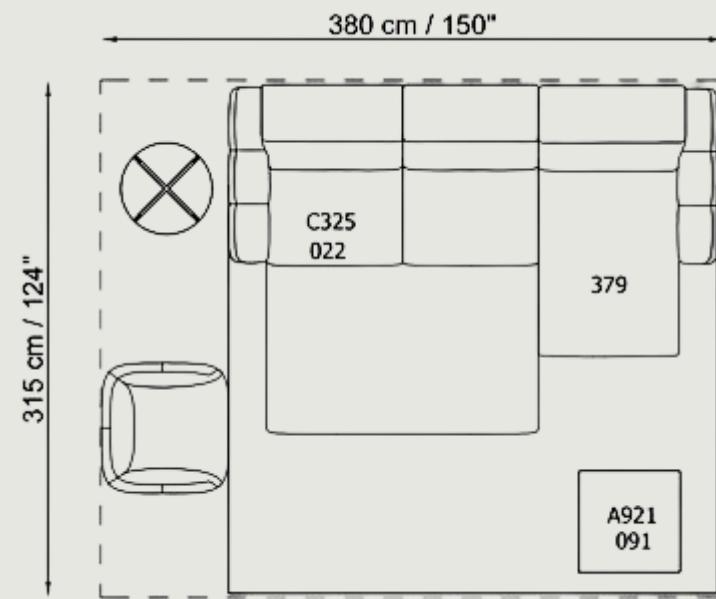

Layout examples

It's possible to highlight the versatility of the project even with different layouts, suggesting the creation of various roomsets to show the optimization of spaces in any living area.

DIM: 9sqm / 97 sqft

DIM: 12sqm / 129 sqft

Moodboard warm neutral

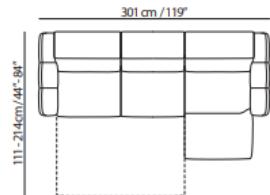

The Natuzzi Style Center carefully selects materials and coverings, putting them in dialogue with each other. In this case, the Jupiter fabric in the Greige color. The combination of this covering together with the ceramic, will give rise to the moodboard that will create the final total look of the project. Each model in the collection is presented with multiple moodboards to adapt to homes all over the world.

Moodboard warm neutral

Together with the moodboard of coverings and materials, the Style Centre harmonizes the sofa with furniture and accessories to complete the interior design project.

Moodboard cold neutral

The Natuzzi Style Center carefully selects materials and coverings, putting them in dialogue with each other. In this case, the Dream leather in the Dark Brown color was paired with the Jupiter fabric in the Alluminium color. The combination of these coverings together with the wood, will give rise to the moodboard that will create the final total look of the project. Each model in the collection is presented with multiple moodboards to adapt to homes all over the world.
